Summary

I have reviewed a wide range of documentation including documentation provided by the Clerk as well as the Town Council website.

Georgina Ashton and I met via zoom to discuss the council and answered number of questions to help guide our Interim and Year End Audit work.

Georgina and colleagues have been open and clear with regards to any queries I have made. It is clear the Clerk is very thorough and knowledgeable which I also noted on the Interim Audit.

Having reviewed the Council, I believe they are at a high standard whilst there is always room for continuous improvement even in a High Standard Town Council

We recommend/comment that:

- The Council's name on the ICO register is "Parish" rather than "Town". Please update.
- Review the Transparency Code with regards items of Expenditure over £500 – whilst the Council list all payments, I believe it would improve transparency if the Council had a separate list of items over £500
