

SHERBURN IN ELMET TOWN COUNCIL QUARTERLY GRANTS POLICY

Introduction

A grant is a payment awarded by the Town Council to an organisation for a specific purpose/project that will benefit the Town, or residents of the Town and which is not directly controlled or administered by the Town Council. Grants are limited and are made available to organisations who must demonstrate a need for assistance. The Council has the power to allocate an amount in its annual budget to support the community through the grant process. The amount is discussed and decided at the December Town Council meeting, within their budget preparations for the following financial year.

PLEASE NOTE ANY RETROSPECTIVE GRANT APPLICATIONS WILL NOT BE CONSIDERED.

Principles of Grant Aid

The Council has a wide range of legal powers that can be used to award grants and thereby, provide opportunities to local community groups. To ensure that a legitimate grant is provided, the Executive Officer will check that the council is supported by a power, prior to the council making a decision. For example, a council has the legal power to work with anyone to provide entertainments and to encourage tourism to the area.

The Council also operate a S137 grant aid policy. Section 137 (1) of the Local Government Act (1972) is a statutory power. It gives council's the power **"to incur expenditure for purposes not otherwise authorised"**. s.137 was amended in s36 of the Local Government and Housing Act (1989). The amendment stipulates that expenditure and benefit must be balanced. There is a limit on the amount a Town Council can spend which is set by the Dept for Communities & Local Govt for the purposes of section 137(4) (a) of the Local Government Act (1972). The limit for **2023-2024 is £9.93 per elector**. This is **not the only power that the Council can use to award grants**; this is determined on a case-by-case basis (see above).

Conditions:

- (1) Grants will not be awarded to individuals
- (2) The award must be used for the purpose for which the application was made
- (3) If the group is unable to use the award for the stated purpose, all monies must be returned
- (4) All awards must be properly accounted for and evidence of expenditure should be supplied as requested. If the council is not satisfied with the arrangements, it reserves the right to request a refund of monies awarded.
- (5) Groups operating outside the parish/town boundary can submit an application but this will be assessed on a case-by-case basis (pro-rata based on the number of residents)

The policy aims to:

- ✓ Help voluntary groups within the town of Sherburn in Elmet to improve their effectiveness
- ✓ Help to ensure the provision of services needed by SiE residents via the voluntary sector
- ✓ Support organisations which meet the needs of people experiencing social and economic difficulties, and;
- ✓ Ensure that there is equality of access and opportunity for all SiE residents to the services and funds it provides

The Council values the diversity and strengths of the local voluntary sector and acknowledges its independent role in the community as: a source of valuable services; a means of enabling people to work together and a channel for campaigning and advocacy. The Council defines a voluntary group as a 'not-for profit' organisation, set up and run by a management committee. This policy

sets out the Council's funding principles and details its expectations of all groups in receipt of grant aid.
