Parish Council Report

I'm writing this Parish Report with spring finally here and hopefully the sun is still shining by the time you are reading this.

The main event in May is Sherburn Gala, which is now in its 42nd year and is covered elsewhere in the Informer, so I won't dwell on it here, but it is a great Sherburn event and one we can all enjoy.

Eversley Park is the venue and if you use the park at all you will have seen the new Outdoor Gym which was installed in March. The equipment is free to use and there have been free instructor led trial sessions, plus free classes are being held twice a month.

Eversley Park is also the venue for the Craft & Food Festival which got off to a hugely successful start last year and will again run over the August Bank Holiday weekend. Please think about volunteering to help because this very worthwhile event puts all its profits back into the local community.

The weekend after the Craft & Food Festival there will be the official opening of the Old Girls School Community Centre. The builders are currently carrying out the refurbishment work and it will be marvellous to have this much-loved building available for community use.

The Community Library has recently celebrated its first birthday and a huge pat on the back is due to all the

volunteers whose hard work and community spirit mean that this vital resource was saved from closure. The development of the library to include an Information Hub with details of local events, news and much more is progressing.

Our population is growing and work continues on the Persimmon, Redrow and Strata sites on the southeast side of Sherburn. Later this year work is likely to start on the three sites in the Hodgson's Lane area on the northeast side of Sherburn. The Parish Council opposed all three of these as overdevelopment of Sherburn, but they were approved. One of our specific concerns was the access for one of them via Pinfold Garth, which we felt was unsuitable for construction traffic. Nevertheless North Yorkshire Highways gave their approval, though in fairness to them, changes to government planning policy has made it very difficult to object to planning applications because of concerns about traffic.

It is inevitable that there will be some noise and disruption associated with construction sites, but it is important that contractors act responsibly. Selby District Council wants to have more consistency in planning conditions which apply to construction sites. It would remove one potential source of confusion if all sites had the same working hours, but the Parish Council is concerned that the result will in fact be longer working hours on a weekend and we do not think that is acceptable. We have emphasised this point to Selby District Council and will continue to pursue it; Sherburn will have building sites for the immediate future and it's important that existing residents are treated fairly and not subject to unnecessary inconvenience.

One piece of construction work which is welcome is the refurbishment of the multi-use games area and the provision of new perimeter fencing at The

Fairway recreation area. The existing surface had come to the end of its working life, but the work that's being done will rejuvenate it for several more years and should be complete by the time you are reading this.

A planning application has also been submitted for an extension to and improvements for the rugby clubhouse at Eversley Park. The clubhouse is used by Sherburn Bears amateur rugby league club who recently celebrated their 50th anniversary.

A working group of the Parish Council has been looking at CCTV coverage for key areas in Sherburn. Improvements have been mapped out and are being implemented. This will act as a deterrent to crime and anti-social behaviour and will provide higher quality footage with a better chance of producing footage which can be used as evidence in a court case.

Litter continues to be a concern and as well as the regular community litter picks, we welcome the recent Spring Clean campaign which has been led by Councillor Maggy Hunt. Sherburn has an excellent volunteering ethos and we are very grateful to the many people who put their valuable time to good use by helping to make Sherburn a better place to live.

If you would like more information on how volunteers can get involved then please either email the parish council (clerk@sherburninemet-pc.gov.uk), ring on 01977 681024 or call in at the Parish Council office at the Eversley Park Centre. Please remember that your Parish Council is run by volunteers and we do not get paid for our time.

Prince of Wales Hospice

Hi,

My name is Sophie and I'm the Events & Community Fundraiser at The Prince of Wales Hospice in Pontefract. As a resident of Sherburn-in-Elmet, I would like to raise awareness for the Hospice in my hometown.

The Prince of Wales Hospice provides care to residents of Sherburn-in-Elmet, and shares this duty with St Leonard's Hospice in York, and St Gemma's Hospice in Leeds. Sadly, we no longer have a charity shop in the village; however, I would like to assure residents that we continue to ensure local people affected by life-limiting illnesses are cared for in the best possible way.

Every year, The Prince of Wales Hospice provides round-the-clock care to nearly 1,000 residents, and does so at no cost to patients or their families. We have a 13 bedroom Incare ward, and also provide Lymphoedema and Outreach services.

To be there for our community when they need us most, we need to raise over £3 million each year. Less than a third of our costs are covered by the NHS, so around 7 out of 10 of our patients are cared for entirely by donations. Here at the Hospice, every penny counts. We rely on the kind donations and

generous support we receive from our loyal community of supporters – people just like you.

Sherburn Visiting Scheme

On Tuesday afternoon 10th April, the Sherburn Visiting Scheme held a Victorian afternoon tea party. Guests came dressed in Victorian costume and the staff were dressed as the below stairs maids and served the ladies with afternoon tea. The old songs were sung and lots of chatting took place. An activity takes place at the Popplewell centre fortnightly on Tuesday at 1pm until 3.30 pm. Transport is provided if required. Anyone wishing to attend should ring SVS on 01977 681828

Up coming trips over the summer

- Wednesday 30th May Eden Camp
- Wednesday 27th June Ampleforth Abbey
- Wednesday 25th July Newby Abbey
- Friday 17th August Lunch & shopping at the coast

The cost of a trip is £12 plus cost of admissions and lunches as applicable.

Finalist in the Educate North Awards

Sherburn High School is delighted to announce that they were finalists in the Educate North Teaching Awards in the category of 'Sixth Form of the Year'! The prestigious awards recognise best practice and excellence in the education sector in the North of England and to have reached the final two is an acknowledgement of the school's achievements. Sherburn High's Sixth Form has undergone a transformation in recent years with a relentless drive to ensure quality teaching and learning in all post 16 lessons, coupled with their bespoke two week formal examination assessments.

The school has moved their Level 3 Value Added from -0.19 (significantly negative) in 2015 to +0.32 (significantly positive) in 2017 which put them in the top 5% nationally; an outstanding achievement in such a short space of time. They are also the top performing maintained school in North Yorkshire! In

2017, from 152 entries, students achieved 42 A* giving a score of 28% A* in comparison to the national figure of 8% and in Maths at A2 in 2017, 12 from 24 students achieved an A*. These achievements have widened opportunities and progression for students with 78% of the cohort going on to university or Level 4 apprenticeships, 40% achieving a Russell Group university.

As another busy term came to the close, Sherburn High students have enjoyed a plethora of visits, opportunities and successes, not least with their outstanding performances of the hit West End show *We Will Rock You* at the beginning of March. Students taking part worked their socks off

to produce spectacular performances on both evenings and thoroughly deserved the

praise they received from the audiences. Our Year 9 and 10 students taught French to over two hundred primary school children from the area on a Year 5 Modern Languages day in February; they produced excellent interactive lessons for the children to enjoy and said that it was really hard work being teachers for the day! Once again, several budding journalists took part in the BBC News School Report and had great fun interviewing staff and students on a range of hot topics which went live on the BBC website.

We're all now looking forward to what the summer term has in store for us!

The Parish Church of All Saints

Last Saturday I visited a bereaved family to discuss mum's funeral arrangements. The family were very keen that a lot of explanation should be included in the Order of Service as they felt that many people attending the service had little or no knowledge of the Christian Faith. Sadly, I think they were right. In the space available to me I can offer no more than a brief outline of what we are about but if you want to know more do not hesitate to ask.

As Christians we believe the full purpose of our lives is to praise God. As we do so we begin to recognize more and more that everything comes from God and to feel even more thankful and full of praise.

Worship helps to recognize who God really is, it opens our hearts to what is good. It catches us up into the life of heaven. It is something we are called to every day of our lives and is fulfilled, among other ways, when we say the Lord's Prayer

The fundamental business of life is worship. At the root of all your being, your intellectual studies, the games you play, whatever it is, the impulse to do them well is and ought to be understood as being an impulse towards God, the source of all that is excellent. All life ought to be worship; and we know quite well there is no chance it will be worship unless we have times when we have worship and nothing else.

Archbishop William Temple (1881–1944) - The Christian view of humankind is that human beings were created to know God and live in a right relationship with God of love and fellowship. The true perspective and purpose in our lives is found in the praise and appreciation of God and in our relationship with God. Because of God's grace in Jesus Christ we are able to

call God 'Father'; we are drawn into a relationship with our brothers and sisters in Christ. We align ourselves with God's will for a better world. We begin to see that everything we have comes from God. We place ourselves daily within his love, care and protection.

The worship and praise of God gives us scale and orientation and direction for the whole of the rest of our lives. Praise and appreciation opens out our words and then our hearts and minds – and especially the praise and worship of God.

Fr Chris The Revd Canon Chris Wilton

Sherburn Green Dog Walking Scheme

If there is one thing that gets the residents of Sherburn agitated its dog poo! Some residents of Sherburn, led by Sally Harvey, with backing from Selby District Council and the Parish Council, decided to do something about it.

You may have noticed there are now lots of posters around reminding people to pick up their dog's poo!

We have also introduced a green ribbon scheme for dog walkers. If you have forgotten a poo bag, just ask a walker displaying the green ribbon and they will let you have some bags

**1g of dog poo can contain 23 million Coliform bacteria.
It causes diarrhoea and kidney disorders in humans [#bagitbinit](#)**

Elmet Lions

Elmet Lions have had a busy first quarter in 2018. I hope you have seen the Easter Eggs around local pubs. £1 could win a huge chocolate egg! The efforts of over 20 pubs netted the Lions around £900 which will be distributed locally.

Elmet Lions has also won an award as the Club of Excellence! We went from 3 members at the end of 2016 to 10 members within as many months. Thanks goes to President Anne (pictured) and her

new team of Vice President Paul and Secretary Steve who have taken over in 2018 to keep the Elmet Lions moving forward.

Going forward in 2018 we have lots planned – you can see us at the Sherburn Gala in May and also the 3 Day Craft Fair in August and we are running a Race Night on 21st July at Church Fenton Village Hall in association with the Community Shop in Church Fenton.

We also have a Health Day on Saturday, 16th June, 2018 at the Methodist Chapel in Sherburn which is a walk in clinic to check your health.

Elmet Lions raise money for local, national and international causes by having fun – come and join us! More information can be found on our website lions105c.org.uk/elmet or like and share our Facebook page Elmet Lions.

Sherburn Spring Clean

Parish Councillor Maggy Hunt has been leading a major clean up of the village. Volunteers have been out on 8 nights collecting litter. To date they have collected over 60 bags full from all over the village. The shops have also been asked to get involved.

The Parish Council has paid for some of the equipment and the rest has been supplied by Selby District Council via the contractor Amey.

It has made a big difference to the village. Thank you to all the volunteers who have given their time.

Follow us on Facebook “Sherburn in Elmet Spring clean”

If you would like to get involved please come to the next community litter pick on 2nd June at 10am.

Old Sherburn Memories

Turning left out of Aldi passing the row of red bricked houses we used to come to the Showfield. This was a field of about 9 acres in size. After the war and up into the late fifties shows were put on two or three times a year George Wright would assemble the Boys Brigade Band on one side of the field with a couple dozen chairs so that the older ones could listen to the music. Various Stalls were arranged around the outside of the field.

Hoop La and coconut shy also a stall with air rifles. Here some of the young men would challenge those who were older to see who could get a bulls eye. For the younger ones there was egg and spoon race also three-legged race and 100 yards dash. Only the winners got prizes, a quarter of dolly mixtures. Also there was a fancy dress competition where some weird and wonderful costumes were on display.

One year John and Harry Whiteley came as painters and decorators in white overalls and carrying a board with their name on it. They stole the show.

Harry Issatt

Old Girls' School Community Centre and Tearoom

At long last the refurbishment of the Old Girls' School has started. Contracts were signed for the work with local builder, Bailey Hague Joinery. It is a 14 week programme which should be complete mid June. We will then have to fit out the community centre so we can open for 1st September.

Although we have been very successful in obtaining grants including the Big Lottery Grant, the refurbishment has thrown up lots of additional costs which we did not envisage at the beginning. As it is an old building, once we started stripping it out there were bound to be extra costs. Therefore fund raising for the Old Girls' School will continue to be vital to securing the future viability of the building.

We are holding a Summer Fund raiser at the Old Girls' School and are bringing back by popular request the Solicitors who are an eight piece band from Wakefield. They specialise in soul music floor fillers. Based on the experience from last time, we are going to be having a great party that night. They like to involve the audience, in a fun, not embarrassing way! Tickets include a pie and pea supper.

Bare Your Soul To:

Dance and supper in aid of The Old Girls School Community Centre

At 8:00 pm on Saturday 30th June 2018 at the Eversley Park Centre

TICKETS £20.00 Please contact Maggy Hunt: 0773 2360537

Old Girls' School Community Centre and Tearoom

The Old Girls' School Community Centre and Tea Room opens on 1st September

Are you looking for a venue to host the following types of activity?

Activity classes for all ages, both during the day and in the evening.

We have two rooms with wooden floors suitable for all sorts of classes. It would be great to have keep fit for over 50's during the day, more yoga and pilates classes, any sort of dance activity, martial arts. We have a growing population who want to keep active. If you could teach such a class. please get in touch.

Meeting clients

We have two meeting rooms which would accommodate 6 to 8 people, but which could also be used for consultations or training small groups.

Training

Our activity rooms could be used for training for larger groups and we will have a designated IT suite with up to 10 computers.

The building will also have

- Free WiFi
- On site parking at the back
- Tearoom where you will be able to buy refreshments
- Gardens at the front
- Disabled access

If you are interested please get in touch with Sue Thornton

Change of image for established Sherburn Hair and Beauty Salon

After almost 20 years as Split Second the longest running Hair Salon in Sherburn has become Bardot Hair & Beauty. This change of name and fresh new image is the concept of the current owner, Julia Westlake who wanted to put her own stamp on the business after owning it for the last four years. Julia said "it was an amazing challenge to take over such a well established business but after 4 years of success I now feel it's the right time to change the image to reflect my personality and my vision. Nothing else has changed, the team are still the same and we are still passionate about offering the same great service to our customers. The concept is all about looking good without trying too hard, which I think is what Brigitte Bardot portrayed in the sixties and seventies. I described this to Andrea Hall, Graphic Designer who came up with our fantastic new logo and designs." The Salon website will be changing shortly but in the meantime full details of the services offered are at

www.splitsecondsherburn.co.uk.

Sherburn in Elmet Methodist Church

Polar Explorers

Holiday Club

We are holding a holiday club at our church during the week 30th July—3rd Aug 2018. This will be for all primary school children between the ages of 5 and 11 and will meet each day that week from 10am to 12 noon.

All children between those ages are welcome.

It has an 'Expedition' theme based on New Testament characters and aims to help the children learn that no one is too anything to be part of God's big expedition. There will be activities including Games, craft work, drama and music and refreshments will be provided.

There is no specific charge for children attending the club but a donation of £1 per family per day would be welcome to cover costs.

To help in our preparations if you would like to book a place for your child please obtain a booking form from the church or contact Adrian on 01977 682896 ahwainwright46@gmail.com

Booking in advance is advised

COMMUNITY LIBRARY & INFORMATION HUB

Sherburn & Villages Community Library will be hosting its first Literary event on Wednesday 6th June at 7pm.

Local author Jane Austen will be in the library to give a talk and answer questions about her latest book. Inspired by letters from family members who served on the Western Front and written home to Bangor, 'News From Nowhere' describes the impact of war on a family, including Bronwyn, the sister coming of age as her brothers and father endure the torments of the trenches and the battlefield.

The event is being held as part of Read Regional, North Yorkshire's library campaign. It is a celebration of new books from the North of England that connects authors with readers in libraries. Founded by New Writing North in 2008, the campaign is funded by Arts Council England and is now produced in partnership with North Yorkshire and 22 other library authorities.

Tickets £2.50 each to include a glass of wine and nibbles

Tickets available from the Library

50 Micklegate,
Selby YO8 4EQ.

Sherburn & South Milford Rail Services

May 2018 Timetable Changes

On May 20th the new timetable changes come into effect with additional services which should interest and be of great benefit to Sherburn rail users.

On the York-Selby-Hull route there will be 4 additional services each way. The last train from York to Sherburn will depart at 22.46. This will allow the residents of Sherburn enjoy York's 200 bars and restaurants, and the 3 theatres and still have sufficient time to catch the last train home and the station is only a 10min walk back to centre of Sherburn.

The two-hour gap in trains to York in the commuter peak has been plugged with an extra service. There will be additional services on weekends as well.

Services to South Milford also change and there are swings and roundabouts, but overall a better package with more services. Most of the evening and weekend Transpennine Express services which currently call there will be picked up by Northern Rail, who will run hourly services right through the evening. Also, TPE services at 21.48 and 22.48 from Leeds will call at South Milford, allowing a later last service back from Leeds on Monday to Saturday. There will be an earlier first train to Leeds from Monday to Friday leaving South Milford at 6.01.

Please also note that there will be further additional services in December 2018 after delayed infrastructure upgrades are completed.

The Group has campaigned for many years for extra trains and urges residents to make use of these services. The message is - use them don't lose them.

The representative from Sherburn on Selby and District Rail Users group is Cllr David Buckle.

Terry French, Secretary, Selby and District Rail Users Group

TOTS AND YOU AND BABYTIME

Monday and Wednesday morning's from 9.30 till 11am at the Methodist Church

Sherburn Bears Rugby League

Sherburn Bears rugby league teams are looking to recruit players . If you are interested in joining our open age team training is on Tuesday's at 6.30-7.30pm at Eversley park.

Contact Paul Romans (07793079844).

Under 16's boys team training is on Tuesday 6-7pm. Under 7/8's mixed boys and girls training is on Friday's due to begin in February. Contact Paul Dutson (07580216921)

Girls teams to start training Thursday's 6-7pm as of 22nd February. Girls from year 7 upwards welcome. Contact Amanda Romans (07900932827).

We are always looking to start up new teams in different age groups, feel free to come down to training sessions and see us.

Rugby league is a family orientated sport, it is a fun way to get fit, meet new friends learn

discipline and be part of a great team.

Follow us on Facebook Sherburn Bears ARLFC.

Sherburn Gala Committee

Hello Everyone, We're hoping for a great Gala Day on May 19th, with good weather and lots of support.

The theme this year is 'Royal Weddings' and 'World War – 100 year War' – everyone is welcome to join in and dress up.

Entertainment is looking good for both children and adults; the Dog Show will take place once again sponsored by Holmefield Veterinary Centre, have you got your entry form? A Brass Band consisting of 45 youths under the age of 18, Peanut the Clown, K L Falconry and lots more to see in the arena.

The Parade starts at New Lane at 12.30 with floats, marching bands, tractors, cycling club and not forgetting our new Queen, Miss Shannon Bell and her four lovely attendants.

So please come and support us, it's a great annual event and a day when all the community can enjoy a family day out. The funds raised go back into the community and pay for the village Christmas lights. This year the Gala Committee donated £100 towards Sherburn Cricket Club to pay for new cricket balls and have also spent £2,500.00 on maintenance of the air raid shelter at the Old Girls school which will enable us to store the Christmas lights locally in a safe and secure place.

We are always appealing for helpers, anyone who would like to join us and help please come down to the gala field from 7.00 am, you would be most welcome as there is always lots to do getting ready for everyone arriving.

We do hope you can join us., Alma Hodgson, Sherburn Gala

District Council Report

REPORT FROM SELBY DISTRICT COUNCILLORS DAVID BUCKLE AND BOB PACKHAM

We continue to be concerned about the level of commuting, both in and out of Sherburn, resulting in considerable pressure on our road network. Latest figures from the District Council show that 364 new homes have been built in Sherburn since 2012, and there are a further 861 houses that have planning permission but have yet to be built. In addition the Enterprise Park has grown considerably, with a number of large firms moving onto the estate. There is a planning permission for a further 1.25 million square feet of employment floorspace, likely to result in more than 2000 additional jobs, and further proposals in the pipeline for development at Gascoigne Wood and Church Fenton Airfield.

Obviously increased housing generates a need for more jobs, but to date the effect has been to increase commuting. The 2011 census showed that 34% of the Sherburn workforce is employed in Leeds whilst the majority of those working on the Enterprise Park come from outside of Selby District. We were informed by one large employer that only 7% of their workforce lives in Selby District, and some employers are struggling to find sufficient staff. We have been working with the High School and local businesses to increase the number of local jobs for local people.

A Group of Local Authorities called Transport for the North is looking to improve local rail links and facilities, but we also believe there is an urgent need to look at the local road network, particularly to improve links to the motorway system and Leeds. We will continue to put the case both for road improvements and for more high value employment opportunities locally in order to avoid further increases in commuting.

Come and join us at the Sherburn Craft and Food Festival 25th - 27th August 2018

As we count down the days to the festival, we can confirm that some of last year's favourites are returning, and that we have some new, exciting additions to the programme. All activities will be located in the Eversley Park Centre or on Eversley Park.

Have you prepared your entries for the competitions yet?

British Gypsum have again generously donated £3,000 prizes for a revised selection of art, craft, photography, horticulture and children's competitions.

Details and entry forms are available at www.craftandfoodfestival.co.uk or from Sherburn Library.

Inside the craft marquee you will find over 50 stalls with crafters from across the region offering a wide variety of quality, hand-made items and gifts including: jewellery, paintings, glassware, bags and toys and ceramics.

Inside the food marquee there will be over 50 specialist food and drink suppliers. Included in the ticket price this year, you can watch celebrity chefs demonstrate their skills using locally sourced produce.

New for 2018 is the Crazy Craft marquee where children can try activities such as model making, collage and painting. We also have a selection of giant games, including Jenga and Skittles which can be enjoyed by all the family.

Getting to the festival couldn't be easier. Take advantage of the free shuttle bus service, operating every festival day from 9.30am to after the event closure. The service will run from South Milford and designated car parks to the event.

There are great savings if you purchase your tickets in advance. Tickets are now available online, or from one of the following outlets in Sherburn in Elmet: Emsleys Estate Agents, Finery Bridal and Sherburn Library.

Why not stay longer on Sunday evening to enjoy our AfterFEST event?

As well as a full programme of stage entertainment throughout the event, we are continuing the entertainment until 20:00 on Sunday evening.

Leanne Jeffers and the Towers will be performing, and food and drink will be available from the outdoor stalls.

After
FEST

Kingspan Insulation

Upping Production

Kingspan Insulation has been a proud part of the community here in Sherburn for over a decade now. Over that time, we've made quite a few changes to improve how we manufacture our products and the overall energy efficiency of our facility. This work has included installing a giant, 15,000 m² Rooftop Solar PV system — producing enough electricity to power around 650 homes.

As the latest step in this process, we recently invested £9 million in a new, state-of-the-art production line which is being installed right now.

The new manufacturing line will be used to produce our Styrozone insulation. With insulation in high demand right across the country, the new line will allow us to keep up with orders. It also allows us to produce boards in an even wider range of lengths, thicknesses, densities and compressive strengths — ensuring architects and builders have the exact product they need.

In addition to this, the Styrozone line also has a 100% recycled waste stream. In combination with the recently fitted 'muncher', which converts construction waste into fuel. This will support our efforts to limit waste from our products, both at our facility and onsite.

Eversley Park Outdoor Gym

Let's Get Physical

Free Instructor Led Sessions at the new Sherburn Outdoor Gym, Eversley Park

Our sessions will show you how you can utilise the equipment and help you develop a fitness regime that will work for you.

The Outdoor Gym equipment is accessible for all – the MTH team will guide, encourage and motivate you.

We will have two weekly gym sessions running for 6 months:
Tuesdays 5.30pm – 6.30pm (Commencing 1st May)
Wednesdays 3.00pm – 4.00pm (Commencing 2nd May)
