

Community Informer

Issue 49 Autumn 2018

Sherburn's new 'community cinema' screens first film

On 10th October around 50 Sherburn and Villages Community Library volunteers attended a 'film premiere' with a difference celebrating their success in keeping the library open for the past 18 months, averting the risk of it being closed down.

They were invited to form the audience for the first of a series of film screenings at the village's new community centre, the Old Girls' School, presented in association with Selby Carers' Resource.

Since volunteers began running the much valued library more than 50,000 visits have been recorded and the volunteers have provided almost 11,000

hours. These would have cost over £83,000 had staff been employed, even at the national minimum wage.

Leaders of Sherburn in Elmet Community Trust, who manage both the library and the new centre,

organised the screening in style – complete with two uniformed 'usherettes' reminding older audience members of nostalgic cinema visits years ago.

Allyson Chambers, who chairs both the Friends of the Old Girls School and its management committee, along with Anne-

Marie Oldroyd, Community Development Manager for Sherburn in Elmet Community Trust, even provided ice creams from traditional vending trays.

TWO "FIRSTS" FOR SHERBURN

First Civic Service for Sherburn as Cllr Buckle becomes Chair of Selby Council

On September 2nd the first ever Civic Service was held in Sherburn for Cllr David Buckle, over 200 people attended the All Saints Church. Civic guests attended from all over Yorkshire as well as local residents.

During the service there was performances from Sherburn resident and West End star, Leanne Jeffers. After the service Pipe Major David Waterton-Anderson led the procession through Sherburn to a reception at Sherburn Old Girls School Community Centre which was formally opened on that day. David said, "Not only was it a great day for me, but for the village of Sherburn, with over £2000 was raised for local charities on the day".

Sherburn Hungate Primary School

Sherburn Hungate Primary School is in the top 10%!

We've had an incredibly successful year at Sherburn Hungate. Our relentless focus on high quality teaching, exciting learning opportunities and community involvement through any opportunity possible, has all helped to drive up standards at our school. On average 77% of pupils achieved the expected standard in reading, writing and mathematics, compared with 61% nationally, 41% higher than last year; a tremendous achievement by all. I would like to say a massive thank you to our

wonderful children, staff and parents. A special thank you goes out to our Friends of Hungate parent team who have worked so hard to raise invaluable funds for our school.

This academic year will be an exciting one. School is in the process of doubling in size and we anticipate the work to begin at Easter 2019. Meanwhile in school, our challenge for this next year is to maintain our incredibly high standards. We're focussing on developing writing and mathematics and whole school well-being. Our aim is to become a leader in the field of child mental health support by becoming a THRIVE school. We have the passion and dedication to do this as we strive to develop well-rounded young individuals who are ready for the challenge of secondary education.

Finally, the Elmet Rotary Club have been working incredibly hard to support us in the regeneration of our school garden and have done a super job over the summer. If you think you can help and would like to know more, please visit bit.ly/SHPSGarden. Thank you to June Lancaster for helping us with this.

If you would like to know more about our school, please visit our newsletter page on our website (bit.ly/SHPSNewsletters). Prospective parents, please call for a tour of school. Mr Martyn Broom, Headteacher, Sherburn Hungate Primary School

Sherburn Eversley Cricket Club

The 2018 cricket season is finished and it will be a long 5 months before the 2019 season starts (winter well). After struggling on some match days to field a full side we ended mid table in Division 3 of the W C L. and our club will now use the winter to increase the number of players available for the 2019 season. Any new residents to Sherburn wishing to play next year please contact us.

Indoor nets will start in February, Match days Saturday and Thursday. Barrie Beal Secretary

In the wake of the fire, Sherburn High was delighted to properly welcome, not only our new Year 7 students who had missed out on their three week transition period in July but also our new Headteacher, Miriam Oakley, who is excited at the prospect of leading us to further success in the future.

We are pleased to report that Year 7 have settled in beautifully and are fully immersed in high school life. One hundred and twenty nine of them went on a fun-filled residential trip to Castle Howard for a 'Bushcraft' experience where they lived in yurts in the forest, made shelters, learnt survival techniques and even ate fish eyes; it was a true wilderness experience

and they even had to leave their mobiles at home!

This term we also celebrated our sporting achievements in a recent Sports Presentation evening and we were extremely lucky to welcome Leeds Rhinos rugby league player Jimmy Keinhorst to present awards to our students. The evening was a wonderful demonstration of how dedicated our students are, not only to their PE lessons but also to competitive sport, with many investing a great deal of their free time in sporting fixtures and training.

Year 7 once again have been practising their life-saving skills in a recent 'Restart a Heart' event. This

is such a worthwhile skill for them to learn and they all fully embraced the sessions knowing that they may one day be called upon to save a life.

As the winter term

approaches, there is much on the agenda for our students: charity days, theatre trips and much more in the offing, not to mention mock exams for our GCSE students; their heads are down, pens scribbling furiously and some serious revision is taking place, and we wish them every success in their endeavours!

The Parish Council Report in the previous issue of the Informer included a focus on the positive events that were

taking part on three successive weekends - the Craft & Food Festival, the opening of the Old Girls School and the Community Day of Action.

The Craft & Food Festival ran successfully, despite the fact that the weather on the Sunday was perhaps the worst single day there had been during the summer. In total over 9,000 people attended and the organisers were helped by a team of local volunteers who worked to ensure that the event ran without any major problems. I know the organisers have already held meetings to check the results and begin planning the improvements so that next year's event is even better.

"three successful community events"

The following weekend saw blue skies and the official opening of the Old Girls' School Community Centre on the Saturday, followed on the Sunday by the reception for David Buckle's Civic Service after he was elected Chair of Selby District Council in May this year.

Unfortunately cloud and rain blighted the Community Day of Action in the village centre on the 8th September. Police, Fire, First Aid, Youth, Parish and District Councils were all present and although we would have liked to have seen more people, the ones we

saw all had constructive suggestions and positive attitudes.

The Community Day of Action was proposed by a resident and we are always open to ideas and suggestions. It doesn't matter whether you are new to Sherburn or were born here, we want to know what you think.

"NYCC funding cut by £133 million"

Of course Sherburn is changing and growing. New houses are being built and the noise and disruption can be disheartening - the roadworks on Low Street seem to have been going on for a long time, but we are hopeful that the new footpath and crossing points will be finished in the We recently met with officers from North Yorkshire Highways to discuss various issues in the village. It was pointed out to us that the County Council is working under significantly reduced funding for highway improvement works (in 2010 the government provided North Yorkshire County Council with £141 million to support council services, in 2018 that figure was £8 million). Evidence provided by the Parish Council helped to increase the amount developers have had to pay towards improvements to the local road network, but it is clear that as traffic increases, congestion will become more of an issue in Sherburn.

"planning application for 69 homes"

We are still awaiting the outcome of the planning application for 69 homes on the land off Garden Lane and additional information has been requested by Selby Planning Department in respect of the proposed major development on the site of the former Gascoigne Wood Colliery off Lennerton Lane.

A working group of the Parish Council have been looking at the provision of CCTV for Parish Council properties. The existing system is out of date and a lot of work has gone into identifying a solution which will be expandable to meet possible future needs.

"new CCTV for the village"

This issue of the Informer will reach you with the build up to Christmas firmly underway. There are lots of events and activities in Sherburn so do keep an eye out for what is happening locally.

Finally please remember that your Parish Council is run by volunteers. We do not get paid for our time and we welcome new ideas or concerns you may have. Please call into the Parish Council office (at the Eversley Park Centre) or email us: clerk@sherburninemet-pc.gov.uk.

Peter Pan Nursery is a registered charity, pre-school nursery for children and families with additional needs, based in Sherburn in Elmet but supporting the wider community. All of our children are referred to us by either a healthcare professional or early years' worker to ensure we're helping those who need us the most.

We have a charity shop in Sherburn, situated behind Moorhouse Opticians off Finkle Hill. Our charity shop is the main source of income for our nursery. We opened an 'Equestrian Section' on Saturday 13th October, which has proved extremely popular. In addition to this, we sell clothing, toys, books, bric-a-brac and homeware. Please pop in for a browse. Any donations are very gratefully received.

We are always looking for new volunteers to help support both the nursery and the charity shop.

If you can spare a couple of hours a week, please contact Kay on 01977 681863 or email office@peterpannursery.co.uk for further information and an application form.

Santa will be visiting Peter Pan Nursery on Saturday 1st December between 10am and 1pm at our Christmas Fair. We will have tombolas for both adults and children and various craft stalls to purchase Christmas gifts from. Not to mention delicious homemade cakes. We hope to see you there!

Sherburn Gala Committee

We are fast approaching the end of 2018 and would like to take this opportunity to thank everyone for their support this year, a memorable gala and good weather will go down in history.

We would like to thank the Spar shop for sponsoring the Halloween Disco and the forthcoming Christmas Disco at the Elmete Social Club on Sunday December 9th, this event starts at 4.00 pm and Santa will be coming along around 5.00 ish to see all the children. We hope you will all be joining us for a good time; we plan to have a fancy dress on this occasion with prizes for the best.

We will be meeting early on Saturday November 24th to put the Christmas lights up in the village, if anyone would like to join us to give us a hand we would really appreciate your help, please come along about 8.30 am. We meet in the Elmete Club car park, and you will be rewarded with a bacon butty.

The date for our next Gala event is Saturday May 18th 2019 and the theme is 'Stage and Screen' – if you are interested in joining the Committee and bringing some new ideas to the table we would welcome you, please call Alma Hodgson, Committee Chairman, on 01977 684518.

Sherburn Visiting Scheme

LOSS OF FUNDING PUTS THE SVS IN JEOPARDY

The withdrawal of NYCC funding for the Sherburn Visiting Scheme (SVS) has put the Scheme in jeopardy. SVS has, over the past 30 years, given support to the elderly community in Sherburn and surrounding villages. Their aim has always been to keep the elderly independent and socially active.

SVS provides a unique service, medical transport, social activities, and a cooked meal once a week, in addition to Meals on Wheels, shopping trips, dementia support and outings to places of interest.

NYCC is now only funding AGE UK Selby to provide the necessary support for the elderly in the area. Traditionally, AGE UK has minimal activity in Sherburn, possibly because of the longstanding success of SVS.

While the withdrawal of NYCC support is not of immediate concern, it does mean that if SVS is to continue to provide their current level of service, they will need to be looking elsewhere for funding over the next 12 to 18 months.

The Trustees and staff are determined to keep SVS running and will be actively seeking alternative funding. The last thing that is wanted to happen is for SVS to fold as it is a lifeline for many elderly people in Sherburn and surrounding villages.

Do you have some financial or accountancy experience and would like to do something worthwhile with your spare time? If so you may be just the person SVS are looking for to become a Trustee and Treasurer of the Scheme. The task is not an onerous one and if you think you would be interested telephone 01977 681828 for details.

We are located behind Boots the Chemist.

Sherburn Camera Club

Sherburn Camera Club were fortunate recently to apply and receive a grant of £1000 from North Yorkshire County Council to help with our projects within the community.

One of our ongoing projects is with Sherburn Hungate Primary School, where we recently carried another photo shoot for the headmaster Martyn Broom. It is a real pleasure mixing with the children trying to get informal pictures especially when there is always one child wanting to pose.

Our new season started on 10th September and after a concentrated promotional effort we welcomed a number of new prospective members, many, I am happy to say, have now joined as full members.

A special evening was arranged for a visit and talk by Laurie Campbell a renowned nature photographer, which was a sell out night with a number of visitors from other camera clubs attending.

Our Thursday day outings continue to be a feature of the Club with a recent visit to the Yorkshire Wildlife Park, where lots of great pictures were taken of wild animals in natural surroundings.

Worshiping Welcomes Here

Sherburn & South Milford Rail Services

Lengthening of Platforms at South Milford Station

Work is ongoing at South Milford Station to extend both platforms, and this work is due to be completed around the middle of December. This is good news for rail users as it will allow longer trains to call, increasing capacity, and more services are planned for next year.

With Contractors using the car park, parking and obtaining parking tickets have been issues, but after representations from SADRUG, Northern Rail confirmed that Parking Penalty Notices issued would be cancelled and no more issued until the situation had been rectified.

December Timetable

The new timetable comes into effect from Sunday December 9th but this is unlikely to affect rail users in our district, apart from possible minor changes to the timings of some services.

Following the major difficulties when introducing the May 2018 timetable only one a very limited number of changes are to be made, to enhance the reliability of current services.

This is disappointing news but, fingers crossed, more services from Sherburn and South Milford will be introduced in the May 2019 timetable and SADRUG will keep you informed.

Old Sherburn

Way back in the 1950's the land where the club is now in the centre of Sherburn was just a grass field, twice a year Mr Tucker would bring his feast, with dodgems and swing boats and various side shows. We also had a circus that came twice a year too. There were no large animals. The show was made up of dogs and lots of clowns. This was a great source of fun for us. The lads and lasses would go from here up to the milk bar for more music and a milk shake or two. The last bus to Mickelfield was half past nine mostly lasses got on at the cross. CRAFT & FOOD FESTIVAL

Sherburn Craft and Food Festival 2018

The village's second Craft and Food Festival attracted a great crowd over the August Bank Holiday weekend, despite a rather wet Sunday, spirits were not dampened.

Especially on the AfterFEST evening as many forgot about the weather and put on their dancing shoes/wellies.

With over 7000 people in attendance during the 3-day event, it was deemed once again a great success. With people attending from all over the county and further afield.

The Festival was officially opened by Yorkshire's own Colson Smith aka Craig Tinker from Coronation Street, who mingled and chatted to the crowds for a lot longer than promised, and we greatly appreciated his time. Our celebrity Chefs also demonstrated to audiences some fantastic culinary skills. All whilst wonderful bands and singers entertained with a musical accompaniment.

A wonderful mixture of young and old visitors attended the event and the feedback outshines last year's comments already. The committee worked hard to ensure a huge number of the suggestions from year one were acted upon. Many of the feedback comments stated it was "well organised, fun and welcoming".

Stall holders alike, have commented on the fact that despite a wash out on the Sunday they still did well and would definitely come back again.

Once again a fantastic bunch of volunteers made the day go smoothly, the committee were overwhelmed by people's generosity of time. It was pleasing to see so many new faces as well as last year's volunteers in attendance.

The festival is a credit to all involved, along with sponsorship, donations and hard work. Funds raised were hampered by the weather but we do have enough to continue this entertainment every year in the heart of the Village.

Planning for Year 3 will commence within the next few weeks and will be advertised. Please feel free to come along with your ideas or offers of help.

The Parish Church of All Saints

For our tomorrow they gave their today. For all the words and pictures that commemorate the Great War and subsequent deaths in battle, what speaks most eloquently is the silence: standing together, head bowed, when there's nothing you can say. Grief, dignity, courage; sadness, injury, victory; damage, death, silence. My father was in India in the Second World War. In the First World War my great uncle served and died in Flanders on the 18th November 1916. A farmer's son from Little Fenton who was killed in action and who has no known grave.

That silence reveals the complexity of remembrance. Because in truth almost all the actions that won those two wars, let alone the sacrifices of so many other campaigns and skirmishes, are unknown; stories never told, courage never honoured, hope and fear and love and loss that never became a film, a book, a museum display. And this leads us into a deeper truth: that for each one of us, our lives depend on a myriad of actions and relationships we seldom pause to recall. This year the 11th November falls on Sunday when at our morning service we keep two minutes' silence, and in that silence perhaps recognise the countless unknown and forgotten people who today make our life possible and in days gone by gave their life for ours. We call it Remembrance Day. But perhaps it isn't remembrance; we can't remember something we never really knew. Maybe we should think of it as gratitude day.

The War Memorial at Sherburn is in the custody of the Parish Church where on the eleventh day of the eleventh month, the 100th Anniversary of The Armistice, we will remember all those who have died in that war and the conflicts since that time in our Service of Remembrance

Do join us at our Remembrance Service at 10.45 on Sunday 11 November.

A governor for South Milford Primary School

We are currently looking for a new governor who would like to join our village school's governing body. Our governors come to us through a variety of routes and with a range of different backgrounds, skills and experiences, but they are all volunteers who work together for the benefit of the school and are the link between the school and the community it serves. We would be delighted to hear from anyone who has:

- an interest in the performance of the school
- a desire to contribute to and represent the community
- an open and enquiring mind
- the ability to look at issues objectively
- the confidence to ask questions and join in debate

a willingness to listen and make informed judgements

the ability to work well with others.

Being a governor is enjoyable, stimulating and rewarding. Please don't be put off by thinking that you have to have specialist expertise or knowledge. Enthusiasm and interest is much more important. And remember, you will be joining a long established governing body and will be supported by fellow governors with many years of combined experience.

For an informal chat, contact chair of governors, Dan Murphy, by emailing d.murphy@sportspub.co.uk

EVERSLEY PARK CENTRE

There is so much going on at your

Eversley Park Centre

Keep Fit Classes, Pilates, Aspiring Young Dancers, Karate, U3A, Model Car Racing, Zumba, Yoga.
