Sherburn Community Informer is kindly funded by

MONEY RAISED FOR GOOD CAUSES

During his year as Chairman of Selby District Council, Mr David Buckle, who resides in Sherburn In Elmet, has helped to raise approx £23000.00 for charities and good causes.

Donating £10000.00 to Peter Pan (a local nursery which supports children with disabilities), £10000.00 to Save The Children (where David has volunteered for the last 10 years) and £3000.00 to Selby Abbey to support their special 950th year celebrations.

SHERBURN BOWLS CLUB
THE RECREATION GROUND, FINKLE HILL,
SHERBURN-IN-ELMET

Sherburn Crown Green Bowls Club Ladies team had great success last year beating Tadcaster Ladies to the top spot and Winning the 1st Division league for the first time ever. They also crowned their success by winning the Leagues James Trophy competition after overcoming some stiff opposition from the Tadcaster Ladies in the final.

Sherburn Wrens Bowls team celebrating 1st division winners in The Ladies Elmete League and also James Trophy winners.

Coming top in the Elmet Ladies League meant they were entered into the Yorkshire league champion's competition the winners of which go on to represent Yorkshire this year against other counties. The competition was postponed from last year due to heavy rain and played in April; unfortunately the Ladies did not do so well against some very good teams and will not be representing Yorkshire this year.

Sherburn Bowls club is situated next to the Football club on Finkle Hill and is open to all residents of the local villages. Open from April to September, new members young or of more mature years are always welcome. Matches are played at various times during the week, Monday, Wednesday & Saturday afternoons also Tuesday & Thursday evenings.

Come and get some gentle exercise while trying to master the game of bowls. Contact Geoff Saunders 01977 684238. geoff.s200@gmail.com

Sherburn Camera Club.

We meet on a Monday evening at 8 pm at the All Saints Church Hall and every Thursday we travel to different places of interest. Recent trips included a visit and tour of the British Gypsum manufacturing plant in Sherburn, a boat trip around Goole docks and Skipton Castle just to name a few.

We have speakers attend on a Monday evening to talk about different aspects of photography, a recent visit brought a selection of birds of prey for close up photography. A number of competitions are held throughout the year, including annual competitions with Pontefract Camera Club and Garforth Camera Club.

New members are always welcome when we provide help and advice covering all aspects of photography.

The Club receives from time to time requests for us to visit and take or talk about photography.

A recent request was for us to provide a photographic record for a Charity Concert at Selby Abbey.

Local schools have requested photo images for their own web sites which we are happy to carry out, and have even given talks to school classes, organising a competition where the club provided prizes for the winners.

We will be attending the Sherburn Gala in May where a selection of our work will be on show, along with advice for prospective new members.

SHERBURN VISITING SCHEME

Threatened vital services for lonely and isolated older people need long term funding

A fundraising campaign has been launched in a bid to avoid valued services for lonely and isolated older people being cut back or, at worse, withdrawn.

Sherburn Visiting Scheme Supporting Seniors, which has been helping people for 30 years, provides twice weekly Meals on Wheels, a weekly hot lunch, shopping buses, transport to medical appointments, social afternoons, day trips and a weekly memory cafe for people suffering from dementia.

The long term future of these services, provided by around 70 volunteers, has been put at risk following the total loss of funding support from North Yorkshire County Council.

“We have to find a way of sustaining these valued services for the benefit of older and lonely people, not only in Sherburn but also in the surrounding villages,” says Ted Bellamy, who chairs the registered charity run by volunteer Trustees.

He added: “We’re already having to dip into our financial reserves to keep going. If we’re unable to find around £20,000 every year from generous businesses or individuals we will face having to cut services or, at worse, close down altogether.”

“Our caring services are vital in helping to combat loneliness and isolation among older people and those suffering from memory loss in Sherburn and the villages. It would be shocking if those who depend on our services have to lose them completely.”

“In addition to new funding we need more volunteers, especially drivers, whose running costs are reimbursed.”

What does SVS do?

Its services are available to residents of Barkston Ash, Biggin, Burton Salmon, Church Fenton, Little Fenton, Fairburn, Hillam, Lumbly, Monk Fryston, Newthorpe, Saxton and South Milford, as well as to those in Sherburn in Elmet.

Meals on Wheels are delivered by volunteers twice a week, mostly to housebound people, at a cost of £5 for a nutritious two course meal.

Every Thursday volunteers serve a hot lunch to 25 older people at Sherburn Methodist Church. Fresh meat and vegetables are generously supplied free of charge each week by Starkey’s butchers and Jackson’s greengrocers; staff at Starkey’s even cook the meat.

The SVS community minibus, driven by volunteers, takes people to the shops in Selby on Mondays and to Castleford on Fridays. Trips are also run to a York retail park and to coast and country destinations.

Volunteer drivers use their own cars to transport people to and from medical appointments either locally or in Leeds, Pontefract, Selby, Wakefield or York. Charges for these journeys have already had to go up following funding cuts.

Anyone wishing to use an SVS service or willing to become a volunteer is asked to call 01977 681828.

For further information please contact Sue Thornton, Administrator, on the number above or email: info@sherburnvisitingScheme.co.uk

For further information regarding Sherburn Visiting Scheme Supporting Seniors Days Away during the next two months of 2019 see “What’s On” - your guide to local events on page 3 of this issue of the Sherburn Informer.

Sharing and Caring at Sherburn High!

Fundraising is always high on the agenda at Sherburn High, whether it is for one of our House charities or to boost resources and spruce up the school environment and last term was no exception. F.O.S.H (Friends of Sherburn High) has been hard at work planning events to raise money for us to improve our facilities; their first event, 'Bonkers Bingo' was a fun-filled disco-bingo extravaganza. The school hall was packed with eager parents and staff, hoping to bag one of the crazy star prizes: a garden gnome, cardboard cut-out of The Rock and of course cold hard cash! The evening was a huge success, making a whopping £2,500! The last day of term was the turn of Harewood House to raise funds for their chosen charity - *Martin House Children's Hospice* and what a great day it was. Students wore non-uniform, visited the tuck shop, guessed the number of sweets, but by far the favourite was 'Hook a Duck' with students queuing up to try out their fishing skills! It looks like the day may hit the £1000 mark! One of our philanthropic Year 7 students felt so moved by the plight of the homeless in York that she felt compelled to write to the Prime Minister to suggest that disused railway carriages could be used to provide shelter and the opportunity to travel to find jobs. Let's hope that something comes of Lily's plea! And finally... we wish all our GCSE and A Level students the very best of luck in their forthcoming exams; they have certainly worked very hard in the run up to them!

SADRUG

Selby and District Rail Users Group

Selby Fun Day Stall

Selby and District Rail Users Group is running a stall at the Selby Fun Day on Sunday June 16th, so if you are at the Fun Day feel free to say hello and find out more about the work of the Group and information about railway services.

May 2019 Timetable Changes

Just a reminder that the new timetable comes into effect on May 19th. South Milford and Sherburn rail users will benefit from additional services, with a full weekend service between South Milford and Leeds, and Sherburn and York.

Station Improvements

Work has finally begun on the upgrade of facilities at South Milford and Sherburn-in-Elmet Stations, and hopefully by the time you read the Informer it will have been completed.

COMMUNITY LIBRARY & INFORMATION HUB

Can you spare a few hours a week and want to join a strong volunteer group, providing library and information services in Sherburn & Villages community library?.

Discover more than books, come and meet new people, develop and share skills, and join our team to help us support communities across our local villages.

We also have a need for an enthusiastic communications worker who can help us to promote our activity.

Interested in either role?

Email sherburn.library@siect.uk and arrange to come and talk to us.

We look forward to hearing from you!

The Summer Reading Challenge for Primary and Pre-school aged children is launched on Saturday, July 13th. Come and join up for some 'space-tacular' challenges and fun!

As part of the Summer Reading Challenge we are having an 'Out of this World' activity day on Wednesday, July 31st. Look out for details in the Library and the SRC leaflet that is distributed to schools.

Sherburn & Villages Community Library & Information Hub
Finkle Hill, Sherburn In Elmet, LS25 6EA Tel: 01609 536033

Athelstan Primary School

Athelstan Year 6 Visit to London

The Year 6 pupils of Athelstan Primary school were very lucky to visit London on Thursday 4th April. The children visited the National Gallery in the morning to complete a variety of workshops before embarking on a walking tour of London including the exciting landmarks: Buckingham Palace, Horse Guards, Downing Street and Westminster Bridge. In the afternoon, the children were thrilled to visit the Houses of Parliament as part of the education workshops. During the visit, they were taken on a tour of the historic building. They were then able to watch debates in both the House of Commons and House of Lords. Rather excitingly, they were also present in the House of Commons when the building experienced a flood and observed the evacuation! Whilst on the visit, the children were given the opportunity to meet their Local Member of Parliament for Selby, Nigel Adams. The children really enjoyed talking to Mr Adams, asking him questions about current political issues at local and national levels. We are very grateful to Mr Adams for providing such an insightful experience into politics.

Methodist Church

Church open every Sunday, service starts at 10.45am.

Roman Catholic Church

St Joseph's RC Church in Church View (behind Elmete Social Club) invite you to our regular, monthly coffee mornings at the church on the last Wednesday of each month from 10.15 to 12pm. All are welcome.

All Saints Church

Parish Eucharist every Sunday at 10:45am *except* First Sunday of the month which is a said service at the same time, 10:45am

Myrtle Hall

Recently Sherburn has lost a much-loved resident, Myrtle Hall who passed away on Saturday 27th April. Myrtle was described as an amazing and inspirational lady with a heart of gold. She did lots for the community, has helped run the Gala for the last 43 years and played a big part in saving the Old Girls's School. Myrtle recently celebrated her 80th Birthday surrounded by family and friends. She will be sadly missed by many.
